[illegible]

A detailed diagram of a fly fishing lure, showing its various components. The lure is oriented horizontally, with the head (TÊTE) on the right and the tail (QUEUE) on the left. The head is covered in a dense layer of hackle (HACKLE). The body (CORPS) is segmented and features ribbing (CÔTES). The wings (AILES) are attached to the head. The tail (QUEUE) is long and thin. Labels with leader lines point to the following parts: AILES (WINGS), CORPS (BODY), CÔTES (RIBBING), TÊTE (HEAD), HACKLE (HACKLE), and QUEUE (TAIL).

Diagram of a fly fishing lure with the following labels:

- TOUFFE (EGG SACK)
- AILLES
- TÊTE
- QUEUE
- GORGE OU JABOT (THROAT)
- CÔTES
- CORPS

Diagram of a mayfly nymph (larve) with the following labeled parts:

- BRANCHIES (GILLS)
- CERQUES (TAILS)
- ABDOMEN (ABDOMEN)
- ÉLYTRE (WING CASE)
- THORAX (THORAX)
- ANTENNES (ANTENNA ou FEELERS)
- TÊTE
- PATTES (LEGS)

A detailed black and white line drawing of a fly fishing lure, viewed from the side. The lure is composed of several parts, each labeled with French text and a leader line. The labels are: AILES (Wings) pointing to the upper wing section; COIFFE (TOPPING) pointing to the top of the thorax; ÉPAULES (SHOULDERS) pointing to the area just behind the head; JOUES (CHEEKS) pointing to the side of the head; TÊTE (HEAD) pointing to the front of the head; OEIL (EYE) pointing to the large circular eye; GORGE OU JABOT (Gorge or Throat) pointing to the area just behind the head; CÔTES (Ribs) pointing to the side of the thorax; CORPS (Body) pointing to the main body section; FERRET (TAG) pointing to the small tag at the end of the body; QUEUE (Tail) pointing to the tail section; and SOUS-AILE (UNDERWING) pointing to the lower wing section. The lure has a segmented body, a large eye, and a curved hook at the rear.

Diagram illustrating the parts of a fly fishing lure (mouche) with French labels:

- CORNES (HORNS)
- COIFFE
- SOUS-AILE
- AILLES PRINCIPALES
- AILLES EXTÉRIEURES
- ÉPAULES
- JOUES
- QUEUE
- TÊTE
- BOUT (TIP)
- FERRET (TAG)
- GORGE
- TOUFFE (BUTT)
- VOILE (VEIL)
- JOINT (JOINT)
- HACKLE

A detailed line drawing of a fly fishing lure. The lure has a segmented body with a dark, textured section in the middle. It features a large, bushy tail of feathers, a pair of long, thin legs, and a single large eye. Labels with leader lines point to various parts: 'HACKLE DE CORPS (BODY HACKLE)' points to the feathers on the body; 'CORPS' points to the middle segment of the body; 'OEIL' points to the eye; 'HACKLES DE QUEUE (TAIL HACKLES)' points to the tail feathers; and 'PATTES' points to the legs.
